2014-2015 Verification Worksheet

Federal Student Aid Programs

Your application was selected for review in a process called "Verification." In this process, your school will be comparing information from your FAFSA application with copies of your and your spouse's 2013 Federal tax return transcripts, or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your FAFSA application information and your financial documents, you or your school may need to make corrections electronically or by using your Student Aid Report (SAR).

1. Submit the completed **2014-2015** Independent Verification Form. Make sure the form is **signed by the student**. This form is three -sided and needs to be filled out completely; if the answer is zero write "0", do not leave blank.
2. If the number in household and/or college you are reporting now on the Verification Worksheet does not match the number(s) you reported on the FAFSA, submit a written explanation of the discrepancy which must be **signed by the student**.
3. Submit **2013 Federal Tax Transcript(s)** for both student and spouse, if filed. As per federal regulations, we can no longer accept copies of the filed federal tax return unless it is specifically requested by the financial aid department. **You can obtain a Federal Tax Return Transcript by calling the IRS at 1-800-908-9946.**
4. **IF FILED:** The following schedules and forms are required from your tax return.
 - Schedule C (business income)
 - Schedule E (property rental, royalties, S corps, trusts, etc.)
 - 1099 R (distributions from IRS, pensions and annuities etc.)
5. **If Food Stamps** were received by any household member reported on this form for 2012 or 2013 submit supporting documentation to verify this, such as a copy of the Food Stamp Benefit Card.
6. If child support was paid, submit a print-out of child support paid. Also indicate to whom it was paid and for which children.
