How to Accept Your Financial Aid Offer

A Step-by-Step Guide

Dear Student,

The enclosed Financial Aid document reflects your current financial aid offer from Youngstown State University. The offer is based on full-time attendance for the academic year. In the event that future aid is subsequently added (state grants, student loans, miscellaneous scholarships, etc.), notification of award adjustments may be viewed online. Log in to the MyYSU Portal to access your financial aid summary.

What to do with your award offer:

- Review the awards that appear on your offer carefully.
- Read the explanation of financial aid offer award descriptions.
- Refer to the instructions “How to accept your award offer in Banner” to accept and authorize YSU to process the student aid being offered.
- Locate the award offer due date to ensure timely online acceptance of your financial aid.

Please contact our office at 330-941-3505 with questions, or call 330-941-3506 to make an appointment with one of our financial aid counselors.

Sincerely,

Elaine Ruse

Select Another Aid Year
Stafford Loan Application Process for 2018-2019

To secure a Student Stafford Loan, three requirements must first be satisfied:

1. **Student accepts their Stafford Loan eligibility online via the MyYSU portal.**
2. **Student completes Entrance Loan Counseling** (one-time requirement).
3. **Student signs a Direct Loan Master Promissory Note.**

**Entrance Loan Counseling** is an interactive counseling session designed to help students understand the responsibilities that come with borrowing student loans. This is a one-time requirement and only required for first-time borrowers. Students must complete Entrance Loan Counseling at studentloans.gov.

**Student Master Promissory Note (MPN)** is a legally binding contract the student must sign. The MPN, signed with the Department of Education, is an agreement to repay the loan money borrowed. An FSA ID is required to sign the MPN electronically. Students must sign an MPN at studentloans.gov.
Disbursement Regulations

One Term Loan Disbursements: Youngstown State University is subject to federal regulations that require two loan disbursements, per loan period, on all student Stafford loans. Generally, a student’s loan period spans the fall and spring semesters. A student with a fall/spring loan period would receive one-half of their loan proceeds no earlier than ten days prior to the start of the fall semester, and the remaining one-half no earlier than ten days prior to the start of the spring semester. However, if a student’s loan period consists of a single semester, the loan must be divided into two equal disbursements, split and paid evenly over the single semester. A student with a one term loan period would receive one-half of the loan proceeds no earlier than ten days prior to the start of the semester, and the remaining loan proceeds at the mid-point of the semester.

First-Time Freshman 30-Day Delay: All first-time freshman student loan borrowers are subject to a mandatory 30-day delay in receiving their first student loan disbursement. First-time freshman borrowers will receive their first loan disbursement 30 days from the first day of the semester.

Questions & Answers About Federal Direct Stafford Loans

What is the Master Promissory Note (MPN)?
An MPN is a legally binding contract the student must sign. It is an agreement to repay the Stafford Loan money borrowed. The MPN also describes your rights and responsibilities as a student loan borrower.

How long is the MPN valid?
An MPN will expire 10 years after the date it is signed. However, you must complete a new FAFSA for each year you wish to receive a loan.

Who is eligible to borrow?
Students enrolled at least half-time in a degree or teacher-certificate program are eligible. Audited classes are not covered by financial aid and are not counted when determining enrollment status for financial aid.

What is the interest rate?
Federal Subsidized Stafford Loans, with a first disbursement made on or after July 1, 2017, will have a fixed rate of interest of 4.45%. Federal Unsubsidized Stafford Loans have a current fixed 4.45% rate of interest.
Note: Graduate students are eligible only for unsubsidized loans at a current 6% interest rate. The PLUS Loan interest rate is currently set at 7%.

Are there fees associated with borrowing?
All Direct Stafford Loan disbursements are subject to a 1.066% origination fee. The Direct PLUS origination fee is 4.264%.
What are the yearly and lifetime maximum award amounts?

Parent PLUS Application Process
The PLUS Application site combines the YSU PLUS Loan Request and Parent Direct Loan Master Promissory Note under one process.

Why a separate process?
A Parent PLUS loan application requires parental information and, for that reason, cannot be accepted by the student via the online award letter. To apply, parents must log in to studentloans.gov using their FSA ID and request the loan.
Summer Aid Application Process

With the possible exception of certain tuition-specific funding sources like vocational rehabilitation, requesting summer aid does not increase the amount of a student’s award for the year. Students who opt to receive aid in the summer can expect to receive less funding in the fall and spring semesters. A student may be eligible to receive an additional Federal Pell Grant Award, however, for the summer term. To qualify, the student must otherwise be eligible to receive Pell Grant Funds for payment period (Fall and Spring), and must be enrolled at least half-time in the summer semester. The student may not exceed 150 percent of the Pell Grant Scheduled Award for the year.

How do I apply for summer aid?
YSU provides a Summer Aid Application that enables students to request aid that they have accepted to be moved to the summer. The Summer Aid Application is provided as a means to move previously accepted aid from the fall/spring to the summer. It is not an application for additional aid.

1. Accept financial aid online through the process documented in this enclosure.
2. Next, complete the Summer Aid Application on our website.

Note on summer loans:
The Summer Aid Application allows students to move loan funds accepted for the fall/spring to the summer. It is not an additional loan request. Be sure to accept the loan amount needed for the entire academic year (summer, fall, spring) when accepting your aid, then complete the Summer Aid Application, moving needed funds to the summer.
Explanation of Awards
Explanation of the awards found on the Financial Aid Award Offer

**Federal Pell Grant** – This federal grant is awarded to undergraduate students based on financial need who are U.S. citizens or eligible non-citizens. Eligible students must be accepted for enrollment in a degree or certificate program and pursuing their first associate or bachelor’s degree. Students attending less-than-full-time will have their Pell Grant prorated based on the number of hours enrolled. Effective July 1, 2012, regulations now limit a student’s Pell Grant eligibility to the equivalent of 12 full-time semesters.

**Ohio College Opportunity Grant (OCOG)** – This State of Ohio grant is awarded to undergraduate students based on financial need. Eligible students must be Ohio residents, enrolled in an eligible program, pursuing their first associate or bachelor’s degree and meet the same satisfactory academic progress (SAP) requirements as is required to receive federal financial aid. The deadline to receive consideration is October 1st. Ohio College Opportunity Grants are awarded to eligible students attending less-than-full-time and are subject to availability of funds and need eligibility. Eligibility for the Ohio College Opportunity Grant is derived using the applicant’s Expected Family Contribution (EFC).

**Federal Work-Study** – This federal program provides part-time campus jobs for undergraduate and graduate students based on their financial need. The rate of pay is regulated by the federal minimum wage law. Job openings can be viewed online. Returning students are permitted to work during the summer semester based on job availability.

**Federal Supplemental Educational Opportunity Grant (FSEOG)** – This federal grant is awarded to undergraduate students based on exceptional financial need. First consideration will be given to students with maximum Pell Grant eligibility. Recipients must be enrolled in an eligible program, registered at least half-time, and pursuing their first associate or bachelor’s degree. Awards are subject to availability of funds.

**Martin Luther King Merit Award (Incoming Freshman)** – This merit-based award is available to new high school graduates from Campbell Memorial, Cardinal Mooney, Chaney, East, Farrell, John F. Kennedy, Niles McKinley, New Castle, Sharon, Struthers, Summit Academy, Ursuline, Warren G. Harding, Youngstown Christian and Youngstown Early College. Recipients must have a grade point average of at least a 3.0, based on a 4.0 scale, and an ACT score of 19 or SAT score of 990 (900 for tests taken prior to March 2016).

**Housing Grant** – This award is available to new and continuing students on a first-come, first-served basis. Need-based awards of up to $2,000 per academic year are available to students who have financial need and live in university Housing or University Courtyard Apartments. New incoming freshmen must live in YSU housing their first year to receive Housing Grant funds. Preference will be given to students who live at least 30 miles from the university. Recipients must be admitted to the university and enroll full-time. Early completion of the FAFSA is encouraged as funds are limited. A completed FAFSA is a requirement. The priority filing date for applications is December 1 for new students and February 15 for continuing students, and a separate online application must be completed.

**Federal Perkins Loan** – This federally funded loan has a fixed interest rate of 5%, which is subsidized by the federal government during at least half-time enrollment status. Eligible undergraduate or graduate students must meet certain awarding and financial need requirements and be enrolled in an eligible program. Repayment of the Perkins Loan begins nine months after graduation, separation, or enrollment of less-than-half-time status. Awards are subject to availability of funds and will be awarded on a first-come, first-served basis. Please note the Federal Perkins Loan Program is set to expire on September 30, 2017 unless granted an extension from the U.S. Department of Education.

**Federal Direct Subsidized and Unsubsidized Stafford Loans** – All Youngstown State University students who complete a FAFSA will be awarded the Federal Direct Loan based on grade level upon date of aid packaging. The federally funded Subsidized Stafford Loan has a fixed interest rate, which will be 4.45% beginning July 1, 2017. The subsidized loan interest is paid by
the federal government while you are enrolled at least half-time. Federal Unsubsidized Stafford Loan interest accrues from the time the loan is first disbursed. The current interest rate for the Unsubsidized Stafford Loan is a fixed 4.45% for undergraduate students and 6% for graduate students. Repayment of both types of Stafford Loans begins six months after graduation, separation, or enrollment of less-than-half-time. Student borrowers cannot exceed their designated annual loan limits and maximum total debt allowed by federal law.

**Federal Direct PLUS Loan** - This federally funded loan has a fixed interest rate currently set at 7%. Parents of dependent undergraduate students are eligible to borrow based on their credit-worthiness. Repayment of the Federal PLUS Loan generally begins 60 days after the final loan disbursement for each academic year.

**Federal Direct PLUS Loans for Graduate and Professional Students** - This federally funded loan has a fixed interest rate, currently set at 7%. The loan is available to students who are enrolled in a graduate or professional program (a program that leads to a master’s or doctoral degree) and who have reached their annual Stafford Loan limit. Additional requirements include minimum half-time enrollment and a good credit history; a credit check is required for approval. Repayment of the loan will begin within 60 days of the loan’s reaching full disbursement.

**PHEAA Grant**
The Pennsylvania Higher Education Assistance Agency Grant provides grants to Pennsylvania residents who are YSU students. Students may be full-time or half-time undergraduates enrolled in an approved program of study requiring at least two years to complete. The deadline to receive consideration is May 1.

**YSU PHEAA Match**
Recognizing the legislative cap on Pennsylvania grants to Pennsylvania residents attending Ohio universities, Youngstown State University has initiated a supplemental grant program funded by the YSU Foundation and the university. This grant is automatically awarded to YSU students who are awarded a PHEAA grant. The supplemental grant will be awarded in amounts up to 200% of the PHEAA grant, subject to availability of funds.
Eligibility

Satisfactory Academic Progress
Youngstown State University is required to uniformly measure a student’s progress toward his or her degree. The citation process is not dependent on the student’s receiving financial aid. A student becomes disqualified for financial aid when he or she fails to maintain either the minimum required grade point average, continually fails to successfully complete enrolled credit hours, or exceeds the maximum number of credit hours required to complete a degree. The complete policy is available on the Office of Financial Aid and Scholarships’ website, and can also be found in YSU’s Undergraduate Bulletin.

Repeated Classes
Under new regulations, students passing a course with a grade of D or above can retake the same course only one more time to receive Federal financial aid for that course. Courses taken for a third time are no longer eligible for Federal financial aid. The new regulations impact Federal Pell Grants, Supplemental Educational Opportunity Grants, Work Study, Perkins Loans, Stafford Loans and PLUS Loans.

Undergraduate Enrollment Status
Full-time status is achieved by an enrollment of 12 semester hours or more. Three-quarter-time enrollment is 9 to 11 hours. Half-time students are enrolled 6 to 8 hours, and an enrollment of 1 to 5 hours is deemed less than half time. Enrollment status for awarding purposes is determined as of the last day of the 100% refund policy, or as of the date aid is awarded if that aid is awarded after the last day of the 100% refund policy. Enrollment status for Federal Stafford and PLUS Loans is locked in the date the loan is certified; however, the student must maintain a minimum half-time enrollment for the loan to be disbursed.

Graduate Enrollment Status
Full-time status is achieved by a graduate enrollment of 9 semester hours or more. Three-quarter-time enrollment is 7 to 8 hours. Half-time students are enrolled 5 to 6 hours and an enrollment of 1 to 4 hours is deemed less-than-half-time.

Adjustment Of Aid When Registered Hours Are Changed
Awards that pay 100% of specific fees are adjusted as per YSU’s tuition-refund policy. Federal Stafford and PLUS loans already disbursed are not adjusted; however, dropping below half-time will result in credit balances being returned to the lender and cancellation of future disbursements for the respective loans. Federal Pell Grants are adjusted according to enrollment status through the end of the refund period. After that date, Pell Grants are not adjusted unless the federal refund formula is applied in connection with a complete withdrawal.

Other Adjustments And Corrections
Youngstown State University reserves the right to adjust award amounts in order to prevent or correct over-awards, to comply with federal, state and agency regulations or donor guidelines, and to maintain fiscal responsibility.

Transfer Students
All transfer students will be classified as freshmen until their credit hours have been accepted and documented by the Office of Undergraduate Admissions. Transfer students will need to complete Entrance Loan Counseling and MPN before loans at YSU can be disbursed.

Exit Counseling
Students who have received Federal Stafford Loans while attending Youngstown State University are required to complete a federally mandated Exit Counseling online before graduating or leaving school. This interactive counseling session is designed to help the student plan for the repayment of their student loans. Contact the Office of Financial Aid and Scholarships for further information. A link to Exit Counseling is provided on our web site at www.ysu.edu/finaid.

National Student Loan Data System (NSLDS)
The National Student Loan Data System (NSLDS) is the U.S. Department of Education’s (ED’s) central database for student aid. NSLDS receives data from schools, guaranty agencies, the Direct Loan program, and other Department of Ed programs. NSLDS Student Access provides a centralized, integrated view of Title IV loans and grants so that recipients of Title IV Aid can access and inquire about their Title IV loans and/or grant data. To retrieve your loan information, go to www.nslds.ed.gov. You will need your FSA ID username and password to access your Title IV information.

Drug-related Convictions
A student convicted of the sale or possession of illegal drugs may have federal student aid eligibility suspended if the offense occurred while the student was receiving federal student aid. If a student has a conviction, or convictions, for these offenses, he or she should call the Federal Student Aid Information Center (FSAIC), 1-800-433-3243, to find out how the law applies to the student and to seek assistance in determining the period of ineligibility. An affected student can regain eligibility early by successfully completing an approved drug rehabilitation program, or by passing two unannounced drug tests conducted by an approved drug rehabilitation program.
Tuition Refund Policy

Students who receive Title IV Federal Aid are strongly encouraged to meet with someone in the Financial Aid Office prior to completely withdrawing from all courses to review financial aid information. Students should meet with someone in the Office of the University Bursar prior to completely withdrawing from all courses to review account balance.

To withdraw from a single course, or from all courses (complete withdrawal), it is necessary to process a change of registration via the MyYSU Portal – Registration. It is the student’s responsibility to confirm that the withdrawal was correctly processed. Nonattendance of class, or notification to the instructor or department, does not constitute official withdrawal.

Title IV Federal Student Aid Refund Policy

Financial aid is earned by attending classes. You may be required to return your entire award or a portion of it, depending on your class attendance record. Students who receive a refund of Title IV monies and fail to begin attendance in all courses must return their refund immediately to the University Bursar. Failure to return the money immediately will initiate a 30-day demand letter to be generated to the student from the Federal Lender Servicer. If monies are then not returned to the Lender Servicer by the student, the student will be considered to be in default by the Federal Government and will no longer be eligible to borrow any Title IV funds. In addition, monies returned by the student to the Lender Servicer will reduce the student’s eligibility of funds for the same school year.

Effective Summer 2009, if a student is permitted to withdraw from the university or if a student reduces his or her academic load, a refund of the tuition charge, and the nonresident tuition surcharge, where applicable, shall be made in conformity with the following schedule for regularly scheduled courses:

<table>
<thead>
<tr>
<th>Length of course</th>
<th>100% refund</th>
<th>No reduction of charges</th>
</tr>
</thead>
<tbody>
<tr>
<td>6 weeks or more</td>
<td>thru the 14th day*</td>
<td>15th day and later</td>
</tr>
</tbody>
</table>

* Since access to change of registration is now available online 24/7, every day of the week is counted (including weekends and holidays) when calculating tuition refunds

Note: for a complete withdrawal from any term, all applicable fees, fines, and penalties will be deducted from any refunds. If fees were paid by scholarship, loan, or grant-in-aid, the appropriate credit will be issued to the fund from which the initial payment was made. Student accounts paid with financial aid awards may be subject to a financial aid repayment. No refunds will be issued until after the 18th day of the term.

Any withdrawal, or reduction in academic hours, processed after the tuition refund schedule outlined above will not be entitled to any reduction of charges and/or refund unless an Application for Involuntary Withdrawal is submitted and approved by the Fees and Charges Appeals Board. This form is available at the Office of the University Bursar (Rm 227 Meshel Hall). Please be sure to carefully review all information included on the reverse side of the form. All decisions of the Fees and Charges Appeals Board are final and binding.

What is Title IV?

Title IV federal financial aid includes: Pell, SEOG, Perkins Loans, Stafford Loans and PLUS Loans. Title IV financial aid awards are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance was awarded. If a student completely withdraws on or before the 60% point in time of the enrollment period, calculated using calendar days, a portion of the federal aid awarded (Pell, SEOG, Perkins Loans, Stafford and PLUS Loans - but not Federal Work Study) may need to be returned according to the provisions of the Higher Education Amendments of 1998. This recalculation may result in the student’s owing a balance to Youngstown State University and/or the federal Department of Education. Contact the Financial Aid and Scholarships Office (330-941-3505) for a full explanation of the impact of a complete withdrawal. Students who receive federal aid funds are encouraged to seek financial aid advisement before processing a complete withdrawal.
