

Youngstown

STATE UNIVERSITY

Youngstown State University is a state-assisted, urban institution of higher education which primarily, but not exclusively, serves the students of northeastern Ohio and western Pennsylvania.

The University has an enrollment of approximately 13,200 (head-count) in a wide variety of programs ranging from 2-year associate degrees to the Doctor of Education degree.

Schools and colleges of Youngstown State University include:

College of Business Administration
 College of Education
 College of Fine and Performing Arts
 College of Health and Human Services
 College of Liberal Arts and Social Sciences
 College of Science, Technology, Engineering and Mathematics
 School of Graduate Studies and Research

The campus, located north of downtown Youngstown, is compact and carefully designed, with most of the major structures being new or recently renovated. The Physical Plant is valued at approximately \$320 million.

The city of Youngstown is located between Cleveland and Pittsburgh. The Youngstown-Warren area has a population in excess of 500,000 and offers the usual amenities of urban living but few of the problems of the big city. All types of housing are available within a 30-minute drive of the campus, and housing costs in the Youngstown area are significantly lower than in most metropolitan areas.

FACULTY POSITION ANNOUNCEMENT

YOUNGSTOWN STATE UNIVERSITY invites applications for the faculty position described below.

DEPARTMENT: School of Engineering Technology

COLLEGE: Science, Technology, Engineering & Mathematics

RANK: Assistant Professor

SALARY: Salary will depend on qualifications and experience

MINIMUM QUALIFICATIONS: M.S. in Civil or Construction Engineering or Civil or Construction Engineering Technology; (5) five years of full-time industrial experience and familiarity with US Codes and Standards required; Ph.D. in Civil or Construction Engineering or Civil or Construction Engineering Technology, Professional Engineer License, and LEED Professional Accreditation, preferred. Candidate must have excellent oral and written communication skills.

DATE AVAILABLE: August 16, 2010

OTHER INFORMATION RELEVANT TO THIS POSITION:

Applications are encouraged from candidates with practical and scholarly interests in the full range of disciplines that can contribute to advancing engineering, science and practice for the planning, design, construction and operations for the sustainable built environment. The successful candidate will teach a variety of courses in the School of Engineering Technology's Civil & Construction Engineering Technology program. Main responsibilities include undergraduate lectures and laboratories, recruit and advise students, perform administrative tasks required to maintain ABET accreditation, pursue external funding and dissemination of project results, quality service to the University and the profession, and involvement with the technical community. Candidates should have demonstrated teaching ability and experience in the operation and upkeep of lab equipment. This is a 9-month, tenure track position.

CLOSING DATE FOR APPLICATIONS: Applications received by 1/08/10 will receive full consideration.

Applicants must send (1) a letter of interest, (2) a current vita with employment history and dates, (3) a copy of your transcript* documenting academic qualifications for this position, and (4) three references which include the names, addresses, phone numbers or e-mail addresses to:

Prof. Carol M. Lamb, Chairperson
 Youngstown State University
 One University Plaza
 Youngstown OH 44555-0001
 Phone: (330) 941-4625
 e-mail: cmlamb@ysu.edu

**NOTE: Youngstown State University recognizes only credits and degrees awarded by regionally accredited post-secondary institutions in the United States or by equivalent foreign institutions; accredited institutions can be found at <http://www.chea.org>. Exceptions may be approved by the Provost. As a term and condition of appointment, an official transcript must be received by Human Resources prior to a contract being issued. Position finalists will be required to complete a formal application and to submit three letters of reference prior to an on-campus interview. The selected candidate will also be required to sign a release for an employment background check and credential verification.*
