

Your application was selected for review in a process called “Verification.” In this process, your school will be comparing information from your FAFSA application with copies of your and your parents’ 2024 federal tax return transcripts, or other financial documents. The law states we have the right to ask you for this information before awarding federal aid. If there are differences between your FAFSA application information and your financial documents, you or your school may need to make corrections electronically, or by using your paper FAFSA Submission Summary.

1. Submit the completed 2026-2027 Dependent Verification Worksheet. Make sure the form is **signed by both the student and parent**. Form can be uploaded to: www.ysu.edu/finaid/upload.
2. If the number in the household you are reporting on the Verification Worksheet does not match the number(s) you reported on the FAFSA, submit a written explanation of the discrepancy which must be **signed by both student and parent**.
3. If requested, submit **2024 Federal Tax Return Transcript(s), or a signed copy of the 2024 tax form 1040 and applicable tax schedules (see below)**, for both student and parent(s), if filed. **You can obtain a Federal Tax Return Transcript by calling the IRS at 1-800-908-9946 or at www.irs.gov/individuals/get-transcript.**
4. **If filed**, the following schedules and forms may be requested from your tax return:
 - **Schedule 1** (Additional Income and Adjustments to Income)
 - **Schedule 3** (Additional Credits and Payments)
 - **Schedule C** (business income)
 - **Schedule E** (property rental, royalties, S corps, trusts, etc.)
 - **Schedule F** (farm income)
 - **1099 R** (distributions from IRS, pensions, annuities, etc.)
 - **Signed 1040X** (if taxes were amended)
 - **W-2** (wage and tax statement)

Definition of “Parent”: A “parent” is defined as the biological or adoptive parent(s) of the student. A legal guardian, grandparent, or foster parent is not considered a parent unless they have legally adopted the student.

- If parents are married to each other, both parents’ information must be included.
- If parents are not married, but still live together in the same household, both parents’ information must be included.
- If the students’ parents are divorced or separated, use the information for the parent who provides the most financial support over 12 months prior to filing the FAFSA even if student lives with other parent.
- If that parent is re-married, the data must also include the stepparents’ information.

IMPORTANT DOCUMENT INFORMATION

IRS Tax Return Transcript

Some tax filers may not be able to participate in the FA-DDX on the FAFSA. If that applies to you, submit the IRS Tax Return Transcript, or a signed copy of the 2024 tax form 1040, as well as tax schedules 1 and/or 3.

A Federal IRS Tax Return Transcript can be obtained online or by mail, free of charge, by visiting **www.irs.gov** (click on “Get Your Tax Record”), or by calling **1-800-908-9946**. Be sure to request a **“Return Transcript”** and **NOT** an **“Account Transcript.”**
Federal financial aid policies do not allow us to accept a copy of your state tax return.

If you filed an amended tax return for 2024, you must provide a copy of your tax transcript, or a signed copy of the tax form 1040 (which will include only information from the original tax return), AND a signed copy of the 2024 IRS form 1040X that was filed with the IRS.

If you were a victim of IRS tax-related identity theft and cannot obtain an IRS Tax Return Transcript, you can provide a signed copy of the 2024 tax form 1040 as well as tax schedules 1 and/or 3 along with either an IRS Letter 4674C or signed and dated statement from the tax filer that he or she was victim of IRS tax related identity theft and the IRS is aware of it.

Individuals who Filed Non-IRS Income Tax Return or Non-Filers who Earned Income outside of the U.S.

A tax filer who filed an income tax return with a tax authority other than the IRS may provide a signed copy of his or her income tax return that was filed with the relevant tax authority.

For non-filers who earned income outside of the U.S., provide verification of non-filing from the IRS or relevant tax authority outside of the IRS dated on or after October 1, 2025.

An IRS Verification of Non-Filing Letter can be obtained online or by mail, free of charge, by visiting **www.irs.gov** (click on “Get Your Tax Record”), or by calling **1-800-908-9946**. To obtain an IRS Verification of Non-filing Letter, individuals must complete the process for requesting a tax transcript as listed above. The IRS will provide a non-filing letter only if a return was not filed.

A Verification of Non-filing Letter can also be obtained by completing and faxing an IRS Form 4506-T. For Verification of Non-filing Letters, be sure to check box 7, and on line 9, enter the year or period requested (ex.: 12/31/2024).

WHAT HAPPENS NEXT

1. A financial aid professional will compare information on this worksheet, and any required supporting documents, with the information submitted on the 2026-2027 FAFSA. Please allow up to 7-10 business days for this review. Please note, expect extended wait times for the verification review process to be completed during our peak processing period (July-September).
2. If additional documentation is requested after reviewing the worksheets and supporting documents, we will request the additional information via the student’s YSU email. It is the responsibility of the student to check their email on a regular basis.
3. Youngstown State University will electronically submit any corrections to the 2026-2027 FAFSA (if required).
4. The U.S. Department of Education will reprocess the FAFSA if corrections are submitted and necessary. The student will receive an updated electronic FAFSA Submission Summary.
5. If the student’s financial aid eligibility changes for 2026-2027 as a result of corrections, the financial aid awards will be updated on the student’s YSU Penguin Portal.
